# Volunteers

The heart and soul of Casa's outreach, volunteers work side-by-side with staff to support Casa's mission of "Helping People Help Themselves." Involved in all of the agency's program areas, volunteers also serve providing support and guidance in agency administration. Casa's diversity in programming makes it possible to place a variety of volunteers and to adapt service descriptions to the talents and goals of individual volunteers. Over 60 volunteer service descriptions are available.

In 2001, 331 volunteers provided 8,117 hours of service to Casa de Amigos representing a value of \$125,001\*. Each year, two annual awards are presented at the Annual Meeting held in May. *Sarah Cason* and *Michael Rushing* were recognized as **Amiga and Amigo del Año** for their dedication of service. Sarah has volunteered in Senior Services for a number of years. Michael has helped with both youth and adults in the Education program. In addition, the *Church of Jesus Christ of Latter Day Saints* was recognized as **Amigos del Año**. They provided a large contribution of in-kind and capital items for the agency.

\*Based on \$15.40 per hour. The hourly value of volunteer time is updated yearly by INDEPENDENT SECTOR, and is based on the average hourly wage for nonagricultural workers, as published in *The Economic Report of the President (2001 Edition)*, increased by 12% to estimate fringe benefits.

## 2001 AmeriCorps

Casa de Amigos was awarded its own AmeriCorps program by the Texas Commission on Volunteerism and Community Service (TxCVCS) in 2000 after serving 5 years as a subgrantee for the Mental Health Association of Texas. AmeriCorps is a national service program providing local community service opportunities for individuals to meet critical needs in education, public safety, health, and the environment in exchange for a small living allowance and an education award. More than 50,000 AmeriCorps members are "getting things done" each year in the United States.

### BUILDING BLOCKS FOR CASA'S FUTURE

Over 200 blocks in Casa's central hallway are permanently engraved with the names (or memorial names) of contributors who have purchased a block to show their support of Casa's programs and services. Up to 3 lines of 18 characters each can be engraved. Funds are earmarked for the agency's Reserve Fund with 10% placed in the permanent endowment fund. To help secure Casa's future, up to 2,000 names can be engraved in the central hallway!

*Block order forms are available by phone, mail or e-mail.*

### ENDOWMENT FUND

**Casa de Amigos** has two permanent funds: 1) the **Mary Wynn Hinkle Endowment Fund** (managed by Permian Basin Area Foundation) and 2) a **General Operating Endowment Fund** (invested through American Funds Group). Individual gifts are appropriately recognized. Donors may also name a room or item in the agency's facility, the Mabee Eastside Community Center, through their gift. A list of rooms and items is available upon request.

Two rooms were named and dedicated in 1998: the BLEDSOE VOLUNTEER CENTER, and the HENRY EDUCATION OFFICE. The RUNKLES SOCIAL SERVICES OFFICE was named by Linda Runkles at year end 1999, honoring her husband Wayne who passed away in November 1998, and was dedicated in July 2000 by members of the Runkles family in connection with the 50th anniversary of Casa's founding church, St. Mark's United Methodist Church.

Also in 1999, the WOODCOCK RECEPTION AREA was designated by Mr. and Mrs. James Woodcock. A **Tree of Life** with up to 300 leaves was placed in the waiting area and unveiled at the annual meeting in May 2000. Individual names of those giving \$1,000 or more for the agency's endowment fund were: *Todd Aaron, Terry Creech, Norbert & Dedria Dickman, Rhett Gist, Nancy Jordan, Carvel Mills, Larry & Lael Pitts, Estate of Paublita Rubio, Dr. & Mrs. Garner L. Wilde, and Jim & Claire Woodcock.*

**Give to the Giving Place.**
